

The landscape for Medicare Part D plans in the year 2024 has changed dramatically. Payment structure has gotten so poor that we at Economy Drug have had to seriously limit the plans we are contracted with in 2024.

We **will** be able to take the following plans next year. These include: **Aetna Medicare Part D Plans, Aetna Silverscripts Part D Plans, and United Health Care Part D and Advantage Plans (often called AARP Plans).**

The following plans we **will not** be able to fill scripts on: **Humana Part D and Advantage Plans, Wellcare and Cigna Part D and Advantage Plans.** Also, **Blue Cross And Blue Shield of Arkansas Part D and Advantage Plans** will only be available for Generic Drugs, any Brand Name Drug on that plan will not be available at Economy Drug.

We are truly sorry for any inconvenience that this may cause.

What can you do if you want to still use Economy Drug for your Medicare Part D needs in 2024? It is Open Enrollment until December 7th! So contact your Insurance Agent and let them know you need to be on one of the Plans we can utilize in 2024. If you don't have an agent then give us a call and we can help you find one!

This only affects those patients that are Eligible for Medicare for their Medications.
